

**Michigan Tech visiting speaker**

# **Jessamyn West**

**librarian.net**

**putting the rarin back in librarian since 1999**

## ***Web 2.0, Library 2.0, Librarian 2.0***

This talk will discuss ways that libraries are using new technologies to reach and interact with patrons. We'll also discuss the privacy issues that are emerging around the use of social software.

**Location: J.R. Van Pelt and Opie Library  
Reading Room, First Floor  
Michigan Technological University**

**Friday, September 26, 2008, 2pm**

**Reception and Refreshments will follow**
